

Year 4 Tuesday 2nd June 2020

Hi everyone,

I hope you've had a really lovely half term break, and are looking forward to some new home learning challenges!

So, today for English please look at yesterday's lesson: Monday 1st June - it has a SPaG focus, looking at using the suffixes -ous and -sion. Remember, a suffix is a string of letters that appear at the end of a root word to alter its meaning.

Here is the link:

<https://www.bbc.co.uk/bitesize/articles/zr8kwtv>

There are two video clips to watch and then three activities:

Activity 1: Complete the activity sheet about words ending in the suffix -ous. Remember the 3 spelling rules!

Activity 2: Complete the activity by finding the incorrectly spelled words and fixing them with the suffix -sion. Then write a new sentence for each word you select, making sure you spell it correctly.

Activity 3: Design and create a cool poster that will help children in the year below understand how to use the suffixes -ous and -sion. You will need to explain what they are, how to use them, and show some examples of each. Think about:

- A big, bright title
- Bold, bright colours
- What -ous and -sion mean
- Word examples of -ous and -sion
- Pictures

When you've finished, I'd love to see a photo of your poster if you can get an adult to take a photo of it and email it in to the office! Maybe you could display your photo somewhere in your house, perhaps in your room? 😊

Remember the guidelines:

- Adding -ous changes a noun (person, place or thing) into an adjective (describing word), meaning 'full of'.
- The suffix -sion normally changes a verb (doing word) into a noun (person, place or thing).
