

Year 4 Wednesday 10th June 2020

Hi everyone,

So, today for English please look at yesterday's lesson: Tuesday 9th June - here we will be revising alphabetical order and practising our dictionary skills. This may seem easy, but it's actually something we all need to practise a little bit more, ready for using a dictionary and/or thesaurus when we are back in class.

There are two video clips to watch and then three activities:

Activity 1: Complete the two short quiz activities, revising alphabetical ordering skills.

Activity 2: Use a dictionary or online dictionary to look up the meaning of the words in the list. When you've done this, choose three words and use each one correctly in a sentence.

Activity 3: Complete the Dictionary Skills challenge sheet - you could either print this off, or just write your your answers in your blue book without printing.

Here are a couple of links to online dictionaries that you could use:

Good luck! 😊
