

Year 4 Tuesday 16th June 2020

Hi everyone,

So, today for English please look at yesterday's lesson: Monday 15th June - it is a lesson about writing poetry. We have done a lot of work on poetry this year, through our Power of Reading work, and I know how much lots of you love writing poems, so I hope this will be a lot of fun!

There is one video, and three activities.

Activity 1: Complete the 'how to write a poem' quiz.

Activity 2: Complete the 'Villainous Verse' activity sheet based on the 'Baa Baa Naughty Sheep' poem.

Activity 3: Have a go at writing your own 'Villainous Verse' poem using the support frame sheet to help you.

I hope you enjoy today's work and I would absolutely love to see or hear some of your poems, so if you are able to either read them to me when I ring, or take a photo and send it in to the office, I'll have lots of lovely poems to look forward to hearing! 😊
