

Year 4 Friday 3rd July 2020

Hi everyone,

So, today for English please look at yesterday's lesson: Thursday 2nd July - we are going to look at using bullet points.

Here is the link:

<https://www.bbc.co.uk/bitesize/articles/zcvdg7h>

There are two video clips to watch and then four activities:

Activity 1: Highlight the words that could be put into a bullet point list.

Activity 2: Write a **bullet point list** of all the things you can find inside the human body. You need to include:

- An **introduction sentence** explaining what the list is about.
- A **colon (:)** in the right place.
- Each thing inside the body on a new line.

Top tip: You could start by writing: 'Inside the human body, there is:'

Activity 3: Convert the three sentences into bullet points.

Activity 4: Now convert the **bullet point** lists back into sentences. **Remember:** When writing a list in a sentence, you have to put a **comma** between each item and use the word '**and**' between the last two objects.

Have a lovely weekend, and I'm looking forward to seeing some more of you at school next week! For those of you who are not joining us, don't worry, I will be setting the same work for you to do at home as we are doing in school, so no one will miss out! 😊
