

**Tuesday 31st March, Year 5**

**English**

**"5 Metres 80 (High Diving Giraffes)"**

Watch this video:

<https://www.literacyshed.com/diving-giraffes.html>

Now, imagine that you're a news reporter (remember when we wrote news reports based on "Pax" and "The Princess' Blankets"?) and report on this truly amazing event!

You will need

- A short, snappy headline
- An introductory paragraph
- Subheadings
- Key facts and straightforward language
- A closing paragraph

## **Maths**

How many different 6-digit numbers can you find,  
following the clues you are given?

| Hundreds of thousands        | Tens of Thousands | Thousands | Hundreds          | Tens                        | Ones                         |
|------------------------------|-------------------|-----------|-------------------|-----------------------------|------------------------------|
| ?                            | ?                 | ?         | ?                 | ?                           | ?                            |
| These 3 digits add up to 14. |                   |           | This digit is odd | This digit is lower than 5. | This digit is greater than 5 |

| Hundreds of thousands        | Tens of Thousands | Thousands | Hundreds                    | Tens | Ones                         |
|------------------------------|-------------------|-----------|-----------------------------|------|------------------------------|
| ?                            | ?                 | ?         | ?                           | ?    | ?                            |
| These 3 digits add up to 15. |                   |           | These 2 digits add up to 6. |      | This digit is greater than 3 |

| Hundreds of thousands       | Tens of Thousands | Thousands         | Hundreds                      | Tens                        | Ones                         |
|-----------------------------|-------------------|-------------------|-------------------------------|-----------------------------|------------------------------|
| ?                           | ?                 | ?                 | ?                             | ?                           | ?                            |
| These 2 digits add up to 9. |                   | This digit is odd | This digit is between 2 and 6 | This digit is lower than 9. | This digit is greater than 3 |

## **Challenge:**

Now, write each six-digit number you made in words.

## **Extras**
