

## Year 6 English 9<sup>th</sup> July

You're going to create your own brilliant short story! Have a look at this image. It is called:

### **Astronaut with a moon balloon.**

Imagine 'One day' in the life of this astronaut. First, note your ideas down.

Can you write a 24/7 short story or poem about 'one day' in this astronaut's life? Remember to use the rules of the 24/7 challenge! For example:

One day, something blinked above me. I grabbed my telescope (rapidly like a cheetah). Looking intently... Attached to a moon-balloon, an astronaut drifted by!
