

# **Ivingswood Academy Preventing and Tackling Bullying Policy**

**January 2023**

**This policy was approved by the Local Advisory Committee on 24 January 2023**

**Next review Date: July 2025**

## 1. Introduction

This policy is based on DfE guidance “Preventing and Tackling Bullying” July 2017 and supporting documents. It also considers the DfE statutory guidance “Keeping Children Safe in Education” 2021 and ‘Sexual violence and sexual harassment between children in schools and colleges’ guidance.

Bullying, especially if left unaddressed, can have a devastating effect on individuals. It can be a barrier to their learning and have serious consequences for their mental health. Bullying which takes place at school does not only affect an individual during childhood, but can have a lasting effect on their lives well into adulthood. By effectively preventing and tackling bullying, we hope that we can help to create safe, disciplined environments where pupils are able to learn and fulfil their potential.

## 2. Aims of Policy

- This policy outlines what Ivingswood Academy will do to prevent and tackle all forms of bullying.
- Ivingswood Academy is committed to developing an anti-bullying culture where the bullying of adults, children or young people is not tolerated in any form.

## 3. Definition of Bullying

Bullying is defined as ***“behaviour by an individual or a group, repeated over time that intentionally hurts another individual either physically or emotionally”***. (DfE “Preventing and Tackling Bullying”, July 2017)

It can include name calling, taunting, mocking, making offensive comments; kicking; hitting; taking belongings; producing offensive graffiti; gossiping; excluding people from groups and spreading hurtful and untruthful rumours.

This also includes the same unacceptable behaviours expressed online, called cyberbullying.

This can include: sending offensive, upsetting and inappropriate messages by phone, text, instant messenger, through gaming, websites, social media sites and apps, and sending offensive or degrading photos or videos.

Bullying is recognised by the school as being a form of child on child abuse. It can be emotionally abusive and can cause severe and adverse effects on children’s emotional development.

## 4. Responsibilities

It is the responsibility of:

- **The headteacher** - to communicate this policy to the school community, to ensure that disciplinary measures are applied fairly, consistently and reasonably, and that a member of the senior leadership team has been identified to take overall responsibility.

- **Local Advisory Committee members** - to take a lead role in monitoring and reviewing this policy.
- **All staff, including: Local Advisory Committee members, senior leadership, teaching and non-teaching staff** - to support, uphold and implement this policy accordingly.
- **Parents/carers** - to support their children and work in partnership with the school and ensure that children do not access channels which are not age-appropriate or legal (e.g. social media).
- **Pupils** - to abide by the policy.

## 5. Forms and types of bullying covered by this policy

Bullying can happen to anyone. This policy covers all types and forms of bullying including:

- Bullying related to physical appearance
- Bullying of young carers, children in care or otherwise related to home circumstances
- Bullying related to physical/mental health conditions
- Physical bullying
- Emotional bullying
- Sexual bullying
- Bullying via technology (cyberbullying)
- Prejudicial bullying (against people/pupils with protected characteristics):
  - Bullying related to race, religion, faith and belief and for those without faith
  - Bullying related to ethnicity, nationality or culture
  - Bullying related to Special Educational Needs or Disability (SEND)
  - Bullying related to sexual orientation (homophobic/biphobic bullying)
  - Gender based bullying, including transphobic bullying
  - Bullying against teenage parents (pregnancy and maternity under the Equality Act)

## 6. School Ethos

Ivingswood Academy recognises that all forms of bullying, especially if left unaddressed, can have a devastating effect on individuals; it can create a barrier to learning and have serious consequences for mental wellbeing. By effectively preventing and tackling bullying our school can help to create a safe and disciplined environment, where pupils are able to learn and fulfil their potential.

Our Community:

- Monitors and reviews our anti-bullying policy and practice on a regular basis.
- Supports staff to promote positive relationships to help prevent bullying.
- Recognises that some members of our community may be more vulnerable to bullying and its impact than others; this may include children with SEND. Being aware of this will help us to develop effective strategies to prevent bullying from happening and provide appropriate support, if required.
- Will intervene by identifying and tackling bullying behaviour appropriately and promptly.

- Ensures our pupils are aware that bullying concerns will be dealt with sensitively and effectively; that everyone should feel safe to learn and abide by this policy.
- Requires all members of the community to work with the school to uphold the anti-bullying policy.
- Recognises the potential impact of bullying on the wider family of those affected so will work in partnership with parents/carers regarding all reported bullying concerns and will seek to keep them informed at all stages.
- Will deal promptly with grievances regarding the school response to bullying in line with our complaints policy
- Seeks to learn from good anti-bullying practice elsewhere.
- Utilises support from the Local Authority and other relevant organisations when appropriate

## **7. Preventing Bullying**

*Environment - the whole school community will:*

- Create and support an inclusive environment which promotes a culture of mutual respect, consideration and care for others, which will be upheld by all.
- Recognise that bullying can be perpetrated or experienced by any member of the community, including adults and children (peer on peer abuse).
- Recognises the potential for children with SEN and disabilities to be disproportionately impacted by bullying and will implement additional pastoral support as required.
- Openly discuss differences between people that could motivate bullying, such as: children with different family situations, such as looked after children or those with caring responsibilities, religion, ethnicity, disability, gender, sexuality or appearance related difference.
- Challenge practice and language (including ‘banter’) which does not uphold the school values of tolerance, non-discrimination and respect towards others.
- Be encouraged to use technology, especially mobile phones and social media, positively and responsibly.
- Work with staff, the wider community and outside agencies to prevent and tackle concerns including all forms of prejudice-driven bullying.
- Actively create “safe spaces” for vulnerable children and young people.
- Celebrate success and achievements to promote and build a positive school ethos.

*Policy and Support - the whole school community will:*

- Provide a range of approaches for pupils, staff and parents/carers to access support and report concerns.
- Regularly update and evaluate our practice to consider the developments of technology and provide up-to-date advice and education to all members of the community regarding positive online behaviour.
- Take appropriate, proportionate and reasonable action, in line with existing school policies, for any bullying brought to the schools’ attention, which involves or affects pupils, even when they are not on school premises; for example, when using school transport or online, etc.

- Implement appropriate disciplinary sanctions; the consequences of bullying will reflect the seriousness of the incident, so that others see that bullying is unacceptable. The sanctions are listed in our Positive Behaviour Policy,
- Use a variety of techniques to resolve the issues between those who bully, and those who have been bullied.

*Education and Training - the school community will:*

- Train all staff, including: teaching staff, support staff (e.g. administration staff, lunchtime support staff and site support staff) and pastoral staff, to identify all forms of bullying and take appropriate action, following the school's policy and procedures, including recording and reporting incidents.
- Consider a range of opportunities and approaches for addressing bullying throughout the curriculum and other activities, such as: through displays, assemblies, peer support, the school council, etc.
- Collaborate with other local educational settings as appropriate, and during key times of the year, for example during transition.
- Ensure anti-bullying has a high profile throughout the year, reinforced through key opportunities such as Anti-bullying week and Keeping Safe week
- Provide systematic opportunities to develop pupils' social and emotional skills, including building their resilience and self-esteem.

## **8. Responding to Bullying**

The following steps may be taken when dealing with all incidents of bullying reported to the school:

- If bullying is suspected or reported, the incident will be dealt with immediately by the member of staff who has been approached or witnessed the concern.
- The school will provide appropriate support for the person being bullied – making sure they are not at risk of immediate harm and will involve them in any decision making, as appropriate.
- The Headteacher, Designated Safeguarding Leads (DSL) or another member of senior leadership staff will interview all parties involved.
- The DSL will be informed of all bullying issues where there are safeguarding concerns.
- The school will speak with and inform other staff members, where appropriate.
- The school will ensure parents/carers are kept informed about the concern and action taken, as appropriate and in line with child protection and confidentiality policies.
- Sanctions, as identified within the school behaviour policy, and support will be implemented in consultation with all parties concerned.
- If necessary, other agencies may be consulted or involved, such as the police, if a criminal offence has been committed, or other local services including early help or children's social care, if a child is felt to be at risk of significant harm.
- Where the bullying of or by pupils takes place off school site or outside of normal

school hours (including cyberbullying), the school will ensure that the concern is fully investigated. If required, the DSL will collaborate with other schools. Appropriate action will be taken, including providing support and implementing sanctions in school in accordance with this policy and the school's behaviour policy.

- A clear and precise account of bullying incidents will be recorded by the school in accordance with existing procedures. This will include recording appropriate details regarding decisions and action taken.

- 

## **9. Cyberbullying**

The ever-increasing use of digital technology and the internet has also provided new and particularly intrusive ways for bullies to reach their victims.

Cyberbullying can take many forms and bullying online can often start in school and then be progressed online or start online and influence behaviour in school.

Whilst most incidents of cyberbullying occur outside school, we will offer support and guidance to parents/carers and their children who experience online bullying and will treat cyberbullying with the same severity as any other forms of bullying.

Cyberbullying can include:

- Hacking into someone's accounts/sites
- Posting prejudice / hate messages
- Impersonating someone online
- Public posting of images
- Exclusion
- Threats and manipulation
- Stalking

We will ensure that our children are taught safe ways to use the internet (see our online safety policy) and encourage good online behaviour.

## **10. Responding to Cyberbullying**

When responding to cyberbullying concerns, the school will:

- Act as soon as an incident has been reported or identified.
- Provide appropriate support for the person who has been cyberbullied and work with the person who has carried out the bullying to ensure that it does not happen again.
- Encourage the person being bullied to keep any evidence (screenshots) of the bullying activity to assist any investigation.
- Take all available steps where possible to identify the person responsible. This may include:

- looking at use of the school systems;
- identifying and interviewing possible witnesses;
- Contacting the service provider and the police, if necessary.
- Work with the individuals and online service providers to prevent the incident from spreading and assist in removing offensive or upsetting material from circulation. This may include:
  - Support reports to a service provider to remove content if those involved are unable to be identified or if those involved refuse to or are unable to delete content.
  - Confiscating and searching pupils' electronic devices, such as mobile phones, in accordance with the law and the school searching and confiscation policy.
  - Requesting the deletion of locally-held content and content posted online if they contravene school behavioural policies.
- Ensure that sanctions are applied to the person responsible for the cyberbullying; the school will take steps to change the attitude and behaviour of the perpetrator, as well as ensuring access to any additional help that they may need.
- Inform the police if a criminal offence has been committed.
- Provide information to staff and pupils regarding steps they can take to protect themselves online. This may include:
  - advising those targeted not to retaliate or reply;
  - providing advice on blocking or removing people from contact lists;
  - helping those involved to think carefully about what private information they may have in the public domain.

## **11. Supporting Pupils**

Pupils who have been bullied will be supported by:

- Reassuring the pupil and providing continuous pastoral support.
- Offering an immediate opportunity to discuss the experience with their teacher, the designated safeguarding lead, or a member of staff of their choice.
- Being advised to keep a record of the bullying as evidence and discuss how to respond to concerns and build resilience as appropriate.
- Working towards restoring self-esteem and confidence.
- Providing ongoing support; this may include: working and speaking with staff, offering formal counselling, engaging with parents and carers.
- Where necessary, working with the wider community and local/national organisations to provide further or specialist advice and guidance; this could include support through Early Help or Children Social Work Service, or support through the Children and Young People's Mental Health Service (CYPMHS).

Pupils who have perpetrated bullying will be helped by:

- Discussing what happened, establishing the concern and the need to change.
- Informing parents/carers to help change the attitude and behaviour of the child.
- Providing appropriate education and support regarding their behaviour or actions.
- If online, requesting that content be removed and reporting accounts/content to

service provider.

- Sanctioning, in line with school behaviour policy; this may include official warnings, payback, bans from school related activities (e.g. clubs, trips) removal of privileges (including school 'jobs' online access when encountering cyberbullying concerns), and fixed-term or permanent exclusions.
- Where necessary, working with the wider community and local/national organisations to provide further or specialist advice and guidance; this may include involvement from the Police or referrals to Early Help, Children Social Work Service, or the Children and Young People's Mental Health Service (CYPMHS).

## **12. Supporting Adults**

Our school takes measures to prevent and tackle bullying among pupils; however, it is equally important to recognise that bullying of adults, including staff and parents, whether by pupils, parents or other staff members, is unacceptable.

Adults who have been bullied or affected will be supported by:

- Offering an immediate opportunity to discuss the concern with the designated safeguarding lead, a senior member of staff and/or the headteacher.
- Advising them to keep a record of the bullying as evidence and discuss how to respond to concerns and build resilience, as appropriate.
- Where the bullying takes place off school site or outside of normal school hours (including online), the school will still investigate the concern and ensure that appropriate action is taken in accordance with the schools' behaviour and discipline policy.
- Reporting offensive or upsetting content and/or accounts to the service provider, where the bullying has occurred online.
- Reassuring and offering appropriate support.
- Working with the wider community and local/national organisations to provide further or specialist advice and guidance.

Adults who have perpetrated the bullying will be helped by:

- Discussing what happened with a senior member of staff and/or the headteacher to establish the concern.
- Establishing whether a legitimate grievance or concern has been raised and signposting to the school's official complaints procedures.
- If online, requesting that content be removed.
- Instigating disciplinary, civil or legal action as appropriate or required.

## **13. Monitoring and review: putting policy into practice**

- The school will ensure that they regularly monitor and evaluate mechanisms to ensure that the policy is being consistently applied.
- Any issues identified will be incorporated into the school's action planning.
- The headteacher will be informed of bullying concerns, as appropriate.
- The named Governor for safeguarding will report on a regular basis to the governing body on incidents of bullying, including outcomes.
