Knowledge Progression

Learning Questions

What is land art? How does it link to sculpture?

Who is Andy Goldsworthy?

How can we plan our own land art?

Which objects can we find to create our own art?

Nature walk

How can we work together to create a piece of land art?

Big Questions

Can I produce creative work, exploring my ideas and recording my experiences?

Can I become proficient in relevant art techniques?

Can I evaluate and analyse creative works using the language of art, craft and design?

Can I find out about great artists and understand the historical and cultural developments of their art forms?

Mastery Milestones

I can explain who Andy Goldsworthy is.

I can talk about land art and its importance.

I can create my own sculpture using found natural materials.

Skills Progression

Work to create collaborative projects in 2 and 3 dimensions, and on different scales.

Select and record from first hand observation, experience and imagination, and explore ideas for different purposes.

Question and make thoughtful observations about starting points and select ideas to use in their work.

Explore the roles and purposes of artists, crafts-people and designers working in different times and cultures

Vocabulary

Sculpture, form, materials, 3D object, natural materials, Andy Goldsworthy, installation, land art, movement, change, colour
