

Curriculum Overview – SUMMER TERM – YEAR 2 – FLIGHT

Maths

This term we will start with our unit on Fractions. We will revisit our prior knowledge of parts and whole. We will also learn to recognise and find a half and quarter. We then will move onto Time. We will add to our knowledge of Statistics and finish the term looking at Position and Direction.

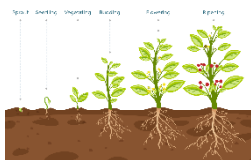

Please remember to use Numbots and White rose 1 minute maths apps at least 3 times a week.

Science

Our Science Unit is on: Plants.

We will observe and describe how seeds and bulbs grow into mature bulbs. We will find out and describe how plants need water, light and a suitable temperature to grow and stay healthy.

English Writing

This term we will explore a range of texts including narrative, picture stimulus writing and a non-fiction information text.

We will be writing based on the book: 'The Crows Tale by Naomi Howarth. We will also be writing an information text based on the book: 'Our World in Pictures: Trees, Leaves, Flowers & Seeds.' We will finish the term writing a narrative based on the book: 'The owl who was Afraid of the Dark.'

English Reading

This term, children will be continuing with daily phonics or comprehension lessons. Reading books will be changed 1-2 times a week on different days so please return reading packs to school every day.

Notices

SATS week – 3-7 June 2024

London Trip - 13 June 2024

Y2 Class Assembly – 14 June 2024

Y2 Y6 Music Performance -21 June 2024

Homework:

- 15 minutes of reading each day

We appreciate all your support! 😊

History

Our History Unit is on Flight. We will be learning about the Wright Brothers and Amy Johnson.

DT

Our DT is linked to our History topic of Flight. We will be making Kites using the four DT progresses of: Research, Design, Make and Evaluate.

Wider Curriculum

PE days: Wednesday and Friday.

Library on Tuesdays – bring your library book each Tuesday.

Music – We will be learning to play the recorder this term with our specialist music teacher, every Friday.

Computing: We will be looking at Creating Media through creating digital music. We will then be learning about programming.

Jigsaw: Our Units are on Relationships and Changing Me.

PE: In PE we will be learning about Target Games, striking and fielding games.
