### Art and Design Skills Progression

Question and make thoughtful observations about starting points and select ideas to use in their work. Compare ideas, methods and approaches in their own and others' work and say what they think and feel about them. Adapt their work according to their views and describe how they might develop it further. Alter and refine drawings and describe changes using art vocabulary. Use research to inspire drawings from memory and imagination. Print using a variety of materials, objects and techniques, including layering. Talk about the processes used to produce a simple print. Explore pattern and shape, creating design and printing.
