

# Curriculum Overview – Autumn Term – Year 3

## Maths

This term we will be building on our mathematical skills from Year 2, focussing on place value, addition, subtraction, times tables and problem solving.

## English Writing

We will be starting with narrative using 'Stone Age Boy' to write our own stories. We will also be learning about Kennings Poems and Charlotte's Web.

## English Reading

We begin the year reading 'The Dot'. This is being read by the whole school and we will be completing a range of activities linked to the story. We continue the year reading a range of texts developing our comprehension skills. We will be learning to use Vocabulary, Inference, Prediction, Explanation, Retrieval and Summarising skills (VIPERS)

## History

The first half term we will be learning all about the Stone Age, Bronze Age and Iron Age. We will learn all about how life was different for people who lived at this time, what food they ate, where they lived and how life developed during this period.

## Geography

In geography, after half term, we will be learning all about biomes. They will locate, identify and describe different biomes around the world.

## Science

This term we are looking at:

**Scientific Enquiry:** through a range of investigations, we will: ask and answer questions; set up simple practical enquiries; make careful observations; gather, record, classify and present data; record and report on findings; draw simple conclusions and make predictions.

**Animals including humans:** we will be learning how animals, including humans, need the right type and amount of nutrition and find out about muscles and skeletons.

## Notices

Our PE days are Wednesdays and Fridays. Please come in PE kit on these days.

**Please hear you child read daily and sign their reading records. Please return reading books everyday**

**23/10/25** – Y3 Art Exhibition for parents and carers

**18/12/25** – Panto at The Elgiva
