Good Morning Reception Class,

Welcome back after the Easter Holidays. It was so lovely to speak to so many of you last week and I was glad to hear you had enjoyed your Easter holidays and had eaten lots of lovely chocolate!

Today we are going to listen to a story that links in with some new maths activities we are going to try this week so we will listen to the story and then do the maths activity.

So I'd like you to listen to the story of Supertato

Now go to <https://whiterosemaths.com/homelearning/early-years/> and choose Summer Term Week 1 but start on the Day 2 activity. Read the pea maths with a grown up and tell them which ones are right.

Now we are going to play my favourite game-I spy! I would like you to find something in your house or something you can see from your window beginning with an a,b,c,d,e,f,

To keep ourselves fit, we are going to join Joe for P.E today

We will see you again tomorrow
