

Friday 24<sup>th</sup> April 2020

Happy Friday Everyone,

Today we are going to listen to another story that links in with our new maths activities we are trying this week. So we will listen to the story and then do the maths activity.

I'd like you to listen to the story of Supertato Veggies Assemble

<https://m.youtube.com/watch?v=f3SymlvibCM>

Now go to <https://whiterosemaths.com/homelearning/early-years/> and choose Summer Term Week 1 Day 5 activity. Email a picture into school of your veggie superhero!

Hopefully you managed to go on a minibeast hunt yesterday but if you didn't just look at some pictures on the internet. Today I would like you to make a minibeast checklist so that you can take it into the garden or out on walks and keep spotting those minibeasts. Draw, colour and label as many insects as you like on your sheet. Try to use the right colours if you have them but just try your best. Do at least 4 of your favourite ones, more if you can.

Today I would like you to play your favourite song and make up a dance to go with it. Practise it as many times as you need to and then perform it to your family. They will love it!

Have a lovely weekend and see you on Monday

Mrs Allen, Mrs Beulah and Mrs Parry
