

Monday 27th April 2020

Good Morning Reception Class,

I hope you had a lovely weekend, it was so lovely and sunny. I really enjoyed speaking to so many of you last week. I am in school this week and so I am going to check on our tadpoles. I will let you know how they are doing!

Today we are going to listen to the story of The Night Pirates

<https://www.youtube.com/watch?v=mdWxBn-xvrQ>

Now go to <https://whiterosemaths.com/homelearning/early-years/> and choose Summer Term Week 2, Day 1 activity. Today you will be making a telescope. I want to you see if you can spot any pirates!

Now it's time for I Spy! I would like you to find something in your house or something you can see from your window beginning with an g, h, i, j, k, l,

To keep ourselves fit, we are going to join in with the shape song and try to move our bodies to make the different shapes. You were excellent at this at school but I twisted myself into a knot!

We will see you again tomorrow

Mrs Allen, Mrs Beulah and Mrs Parry
