Good Morning Reception Class,

Thank you to everyone who sent me in their caterpillar work-I loved it! Today I would like you to watch the traditional tale of Goldilocks and the Three Bears. It is one of my favourite stories!

Now I would like you to retell the story to someone in your family. Remember to start with Once upon a time.....When you are retelling your story try to use different voices when you are being the different characters. You could use a big voice for Daddy Bear and a little one for Baby Bear. And have a think how Mummy Bear and Goldilocks might sound.

Now go to <https://whiterosemaths.com/homelearning/early-years/> and choose Summer Term Week 3, Day 3 activity. Today you are going to be sorting and adding different fruits together to find the total.

Today there will be a separate sheet about our topic for this week and ideas for activities you can do at home to learn even more about growing.

And here is Jumpstart Johnny to help you stay active today! This video is very fast so you will have to be quick to keep up!

See you again tomorrow
