

Tuesday 12<sup>th</sup> May 2020

Good Morning Reception Class,

It was lovely to speak to so many of you last week. It really makes me feel happy when I hear how good you are being for your families and how much progress you are making with your school work!

Today I would like you write the names of these animals. But all the pens in my house are broken so I have had to write in a tray of washing up liquid! Can you please find something fun to write in too!

Please keep your tray of fun stuff to write in as we will need it tomorrow.

Now go to <https://whiterosemaths.com/homelearning/early-years/> and choose Summer Term Week 4, Day 2 activity. Today you will be counting how many flies the very busy spider has eaten-yuk!

To help us remember our numbers and the order they come in, please could you put your number cards in order for me from 1-20. Now I would like you to ask your grown-up to take a number away from the line and you have to tell them which number is missing. Take turns and the person who gets it right the most wins a biscuit!

To keep ourselves fit today we are going to do the Dinosaur Stomp

<https://m.youtube.com/watch?pbjreload=10&v=Imhi98dHa5w>

We will see you again tomorrow

Mrs Allen, Mrs Beulah and Mrs Parry
