Good Morning Reception Class,

Welcome back after half-term! I hope you enjoyed the break and had fun outside in the sunshine. It was so lovely and warm and a perfect opportunity for you and your grown-ups to have a well-earned break from learning and spend some time relaxing.

Today I would like you to read the story of *The Whale and the Snail* by Julia Donaldson. Listen out for how the words in the story rhyme at the end of the sentences. Julia Donaldson is very clever at writing stories that rhyme.

Today I would like you to think of words that rhyme with these pictures and write them in your books. Use your phonics to help you sound them out.

Now go to <https://whiterosemaths.com/homelearning/early-years/> and choose Summer Term Week 6, Day 1 activity. Today you will be making your own spirals like the ones you see on a snail's shell.

Today I would like you to play hide and seek with your number cards. Ask your grown-up to hide them for you around your home and you have to find them and line them up in order from 1-20. Go!

We will see you again tomorrow
