Good Morning Reception Class,

Today I would like you to ask your grown-up to help you with your reading by writing out simple word cards and hiding them around your home for you. They need to be a mixture of simple words that can be sounded out e.g. c-a-t and f-r-o-g and irregular words that the children need to recognise as they cannot be sounded out e.g. said and the. Write out a mixture of these words and hide them around your home and the children win points for every word they can read. Give as much support as needed for the game to be successful as we are working on building confidence in their reading skills!

Now go to <https://whiterosemaths.com/homelearning/early-years/> and choose Summer Term Week 8, Day 4 activity. Today you are making your own number track.

Today I would like you to keep fit dancing along with these boys. Remember they are fast so you will have to work hard to keep up!

See you again tomorrow
