Good Morning Reception Class,

I hope you are all well and had a lovely weekend. We had such crazy weather over the weekend! One minute it was lovely sunshine and the next minute it was raining! Did anyone see a rainbow?

Today we are going to listen to the story of Oliver's Vegetables by Vivian French. I know we read it before but it is a great story to help children and adults think about making healthy choices!

Now go to <https://whiterosemaths.com/homelearning/early-years/> and choose Summer Term Week 10, Day 1 activity. Today you will be looking at sorting healthy and not so healthy food and circular and border patterns.

Now for a game of I spy. I would like you to find something beginning with a, c, e, g, i, k, m, o.

Right time to burn off some energy! Go Noodle!

Follow the link below and show your family how to Go Noodle!

We will see you again tomorrow

Mrs Allen, Mrs Beulah and Mrs Parry
