

Monday 13<sup>th</sup> July 2020

Good Morning Reception Class,

I hope you had a lovely weekend. We only have one week left of home schooling before we all begin our summer holidays!

Today we are going to listen to the story of How many legs? by Kes Gray and Jim Field.

Can you work out the number of legs all together before the end of the story?

<https://www.youtube.com/watch?v=gmUY5bXkVKQ>

Now go to <https://whiterosemaths.com/homelearning/early-years/> and choose Summer Term Week 12, Day 1 activity. Today you will be identifying why animals and insects have been sorted into certain groups. You will need to look closely!

Now for a game of I spy. I would like you to find something beginning with r, s, t, u, e, w, a, c.

Right time to burn off some energy! Go Noodle!

Follow the link below and show your family how to Go Noodle!

<https://family.gonoodle.com/>

We will see you again tomorrow

Mrs Allen, Mrs Beulah and Mrs Parry
