<p>Draw a picture of your favourite summer day. It could be a sunny summer day or a rainy one! Draw what you were doing and who you were with.</p>	
<p>If the weather is rubbish outside you could go camping inside! You will need a clothes airer, some chairs, some blankets or sheets and use your imagination to design a tent. Set up camp and ask for some food so you can have a picnic in your tent! Happy Camping!</p>
