

Thursday 29th April

I wonder which was the highest number you had to count to yesterday. Can you guess what number I would have to count to in my house?

English

Can you imagine that an alien has landed in your garden? He does not know what a pet is. So, can you draw and label a pet for him. Think about what parts of the body he would need you to label. You can pick any pet you would like.

Maths

<https://www.bbc.co.uk/bitesize/articles/zkjb382>

Today look up Tuesday 21st April, maths, count on and back in 2's within 50 part A.

Can you write a number line from 0 - 20 , remember the ones we have in class. Can you write the 2's numbers in a different colour?
