

Monday 18th May

The country is France. Mrs Stacey loves visiting France. Do you know what the colours of the French flag are?

English

[https://www.youtube.com/results?search\\_query=the+rainbow+fish+](https://www.youtube.com/results?search_query=the+rainbow+fish+)

Watch this story and then can you answer these questions. Was the Rainbow fish a nice fish at the start of the story? Why do you think that? Did the other fish like him? What did he need to learn? Did it make him happy? Remember to answer in full sentences using capital letters and full stops.

Maths

Can you draw around your foot and 2 other people in your house, or more if you would like to. Then can you order them in size order starting with the biggest and ending with the smallest. You will need to keep these safe as you will be using them again. At the end of the week, if you have glue you may want to stick them into your blue book.
