

Monday 22nd June

On the longest day we usually have about 16 hours of sunlight, which means we only have 8 hours of dark.

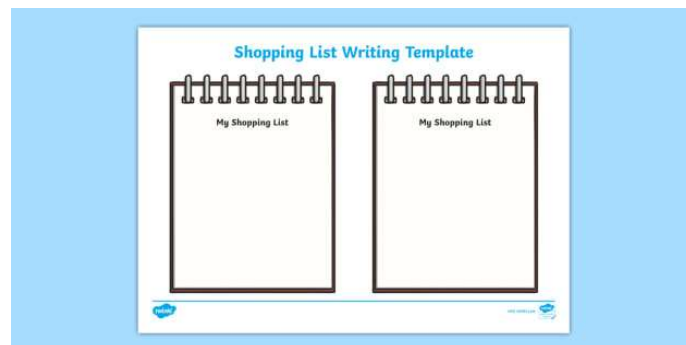

Can you guess what my favourite shop is?

English

<https://www.bbc.co.uk/bitesize/articles/zh7bgwx>

Can you do activity 2 do not worry about putting in commas as we haven't learnt how to use those yet but can you write a shopping list. You could illustrate your shopping list.

Maths

<https://www.bbc.co.uk/bitesize/articles/z69fy9q>

try and work through the activities see how far you can go
