

Hello Year 2. I hope you had a good weekend. I really am enjoying hearing from you and your families. Happy Birthday to Zahra for today, I hope you have an amazing day.

Here are your maths answers from Friday's activity.

1a. 

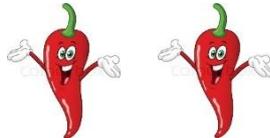

2a. 

3a. quarter, clockwise

4a. 

5a. 

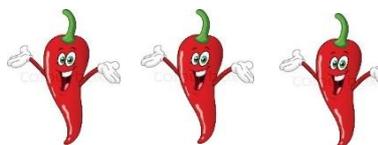

6a. 

7a. quarter, clockwise OR three-quarter, anti-clockwise

8a. 

9a. 

10a. 

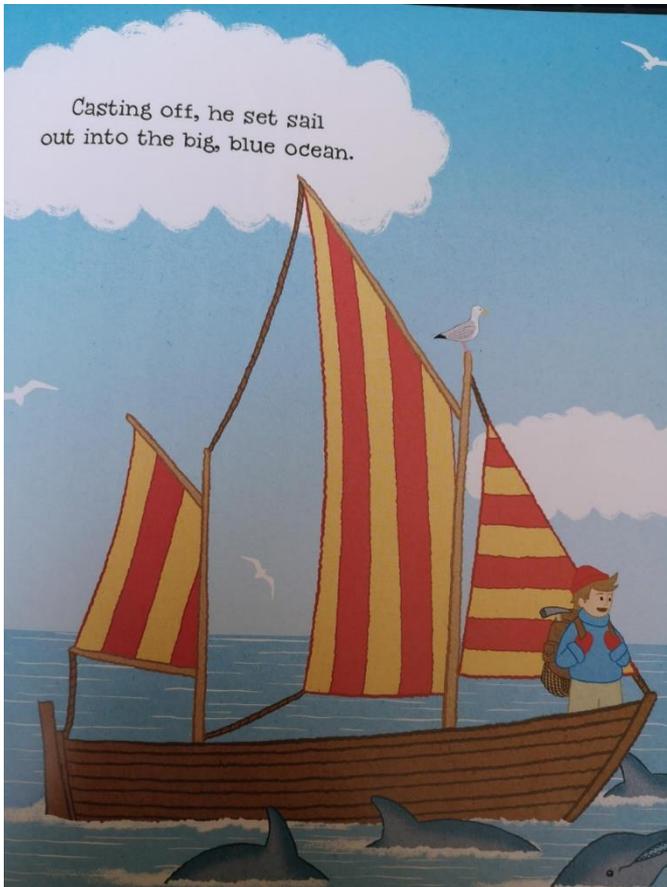

11a. quarter, anti-clockwise OR three-quarter, clockwise

12a. 

As today is the last day of position and direction, I would like you to create your own map or obstacle course that you then need to write instructions for to navigate around it. You might like to blindfold a member of your family and give them instructions to move around but remember to stay safe.

## English

Here are the next pages of the book. As you can see Tom used a boat to get to the North Pole.

### Activity

Today I would like you to read this part of the story and then write some descriptive sentences using your senses and your imagination!

Imagine you are Tom. Write some sentences using these starters...

I can see

I can feel

I can smell

I can hear

Challenge: How can I make my sentence better? Could I use some adjectives?

I can hear some dolphins.
