

Hello Year 2.

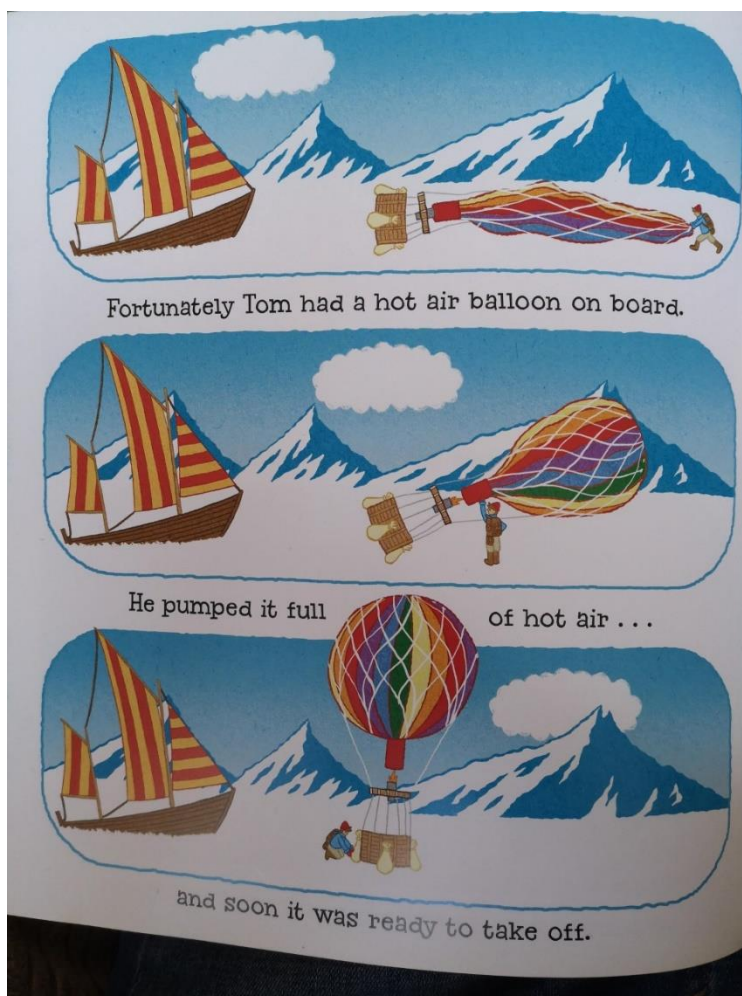

Your answers for the maths today is a separate sheet on the website or in your email.

Today in maths we are going to carry on with recapping measure by ordering length. The maths activities are on separate sheet to this but the link for today's video is here...

English

Read the next pages of the story and have a go at today's activity.

Activity

Did you guess that Tom had a hot air balloon in his boat? I didn't and I am sure you had some amazing ideas.

As you can see Tom is now going high up into the air over the North Pole. I would like you to think about what this felt like and what he can see as he goes up into the sky.

Here is a starting sentence if you want to use it to help you.

I am going up into the sky, it is getting colder and darker.
