

Hello Year 2,

That's another busy week over. Well done if you are having a go at your work, even when it is really hot, or you are a bit tired.

I am really excited that we might be able to come back to school again before the summer holidays. If your parents have not had an email from Mrs Swaysland about it, please let the school know. If you cannot come back yet, that is okay as I will still be sending you work to do every day.

Maths

Today is challenge day. See if you can complete challenge one and two, here is the link...
