

Hello Year 2,

I hope you have been able to choose your subject for your project, if not try and make it your goal to get that done today.

In school we have been thinking about our class bubble, can you remember the name of everyone in our class? Why don't you have a go at writing down everyones name that you can remember.

### Maths

Today we are continuing with telling the time, this is a great skill to have but it does take a long time to fully remember it all so please don't worry if you are finding it difficult, go back to o'clock and half past or have a go at the game I sent you last week.

Here is the link for today's maths lessons...

### English

Today I would like you to create a fact-file about your subject, so if you have chosen an animal then you could write facts about that type of animal, where it lives, what it eats, is it endangered? If you are writing about an event you could tell me when it happened, what the main features of the event, any people that were involved.

## ANIMAL FACT FILE:

**FUN FACTS:**

- There are more kangaroos than humans in Australia!
- There are four different types of kangaroos.
- A group of kangaroos is called a 'mob', a 'troop' or a 'court'.

<b>Name:</b>	Kangaroo
