

## Monday 22<sup>nd</sup> June

Morning everyone, I do hope you had a good weekend and that you managed to enjoy some of the sunshine. Yesterday was the longest day and it was light until very late. I look forward to hearing what you have been doing in my calls this week. Remember you can always contact the school office for any support needed.

This week is **National Sports Week**. The organisers know that schools can not do the fun activities now, so they have made some suitable for doing at home. Here is the link to the website where you can register for the activities to try. I am going to do this with my children at home too – I will let you know how we get on. <https://www.youthsporttrust.org/national-school-sport-week-home>

### English

Today we are learning about alliteration. Remember what that is? Alliteration is when we select words that have the same sound to add detail to our sentence. For example: The **w**ild **w**hite sharks **w**histled in the **w**ind – the alliteration comes from the letter w.

Follow the link for the learning clip, quiz, and some examples of tongue twisters for you to try. Have fun!

Well done everyone,
