

Year 4 Spellings - Week Commencing 20th April 2020

This week the spelling pattern we are focusing on is adding the prefix inter- (meaning 'between' or 'among').

1. interact
2. interfere
3. intercity
4. international
5. intermediate
6. internet
7. intergalactic
8. interrupt
9. intervene
10. interlude

Please use your blue books to practise writing these out, checking to make sure you have copied the spellings correctly. If you can, ask an adult or older brother or sister to test you - you could try spelling them out loud, rather than writing them down too.
