

Year 4 Monday 5th May 2020

Hi everyone,

Today for English please look at Monday's lesson: Monday 4th May. This lesson is all about how we use paragraphs to organise our work. We have done this in all our English lessons since the beginning of the year, but sometimes we do forget so this is a good opportunity to revise why this is so important!

Here is the link:

<https://www.bbc.co.uk/bitesize/articles/zv4j7nb>

There is one clip to watch that will recap why we need to use paragraphs, then three activities:

1. Insect Paragraphs activity sheet: either print this or write out on paper what each paragraph is about.
2. Watch the clip about the seasons in Britain and write a report about what you have learned, using a paragraph for each season. Follow the Success Criteria below the video on the website to help you organise your report and the paragraphs within it.
3. Test an adult - read your report to someone at home, then test them about what you included in it, using the questions on the website to guide you.

Try to remember the **Success Criteria** that they set out for you:

- All the sentences within a paragraph should be about the **same person, place, time or topic**.
- When the person, place, time or topic **changes**, you should **start a new paragraph**.
- Every **new paragraph** should start on a **new line**.
