

Year 4 Friday 15th May 2020

Hi everyone,

Today for English please look at yesterday's lesson: Thursday 14th May - it's all about proof reading, that means reading over your work to look for mistakes that need correcting, while also thinking about what you might be able to add to improve it.

Here is the link:

There are two videos to watch which explain how and why you should proofread, and then four activities to work through:

1. Highlight the mistakes you spot.
2. Correct the punctuation mistakes.
3. Read through, spot and correct spelling, punctuation and grammar mistakes in Lauren's diary.
4. Choose up to 3 paragraphs of Lauren's diary to rewrite, not only correcting the mistakes you spotted but also thinking about improving her writing by adding in more descriptive detail.

Good luck, and remember to see if you can use some of the clever writing devices we have been practising such as similes, metaphors, fronted adverbials, expanded noun phrases and appropriate conjunctions! 😊
